We are Trendway >

Proven Performer

We've helped create beautiful spaces for over 50 years serving both public and private sector customers. Our entire operation is in Holland, Michigan. A single location for manufacturing and shipping helps us deliver on time, every time.

- Established in 1968
- Modern, 500,000 square foot plant
- Lean manufacturing team
- Nationwide dealer/installer network
- OFDA Top Workstation/Systems Manufacturer

Responsive and Reliable

Our personalized service extends through the specifying and ordering process, from design to installation. And although we have one of the fastest average lead times in the industry, we can also claim the industry's best performance. Our promise stands - Your furniture is on time or it's on Trendway.

- Customer calls answered personally 99.5%
- On time, complete shipments 99.9%
- 2-4 week average lead time for furniture
- 5 week average lead time for wall product
- Design and project assistance
- Skilled Technical Support team
- "On Time or On Trendway" promise
